

DARION MEALING

Name: Darion Mealing

Date of Birth: March 31, 1996

Nationality: USA

Height: 180 cm

Weight: 73 kg

Current Club: Free Agent

Position: Left Back/Left Winger/Centre-Back

Foot: Left

PLAYER DESCRIPTION

Darion is an extremely athletic left sided player who is direct and physical. His primary position is left wing back, and he can also play left winger or centre-back. Darion possesses exceptional physical attributes: he has explosive speed, high jump, strength, and stamina. He is excellent in offensive actions, either overlapping or hugging the touchline either carrying the ball forward or running in behind. Defensively his fantastic athleticism makes him a quality defensive presence. With his great jumping reach he is also good in defensive headers as well as being a threat in the opposing box. He also possesses a long bullet throw.
